DESCRIPTION

Designed by Olivier Poncin and the R&D department of the Catana shipyard, the BALI 4.1 Maxi Lounge is characterised by fully decompartmentalised and highly ergonomic living spaces. The BALI 4.1 is the first catamaran of this size to offer such a vast forward cockpit with sunbathing, a breathtaking relaxation area on the roof, a platform connecting the two rear skirts with a large bench seat and a general comfort worthy of a large catamaran.

This BALI 4.1, from May 2019, in version 4 double cabins + 1 single and 2 large SDB with electric WC is particularly comfortable and well equipped: 2X40CV engine; complete electronics and doubled at the chart table; solar panels; 272L refrigerator and freezer; plancha; Highfield CL290 annex with Honda 6 HP...

After 1 rental season, the boat is available for purchase. It belongs to a company and can be leased.

To be seen immediately in Ajaccio (Corsica).
